

Name/Alias: **Mate Rupić**  
Location: **Šibenik, Croatia**

What would you want to share with the world?

**My insight into form and fabric that make today's landscapes and attempts to understand the cultures and processes that shaped it and forces that continue to shape it in our time. Sketches, drawings and illustrations are tools I am familiar and comfortable with and also the media I use to communicate.**

What influences you & your art?

**In a word: nature. Ecosystems, patterns, wilderness, "disorder".**

If you could change one thing in the world, what would it be?

**Tourism.**
