

EMA ŠIREC PROJECTS

WHISKEY TANGO FOXTROT

For this project i used old expired film and I made film soups to dunk them (film rolls) in once i shot them. I exposed them to a lot of different combinations of ingredients.

DRAG

Drag photography is something that i started about 3 years ago. It started as one project and is currently being a lot more than that. During my second year at Academy of fine art and design in Ljubljana I also created the first photo book on the topic.

YUGONOSTALGIA

Ongoing project that represents Yugonostalgia. It is based architecture and testimonies from people around me.
